Self Intro :-

Thank you for giving me this opportunity to be interviewed. Having known about this interview I was so excited. I am confident ~~that~~ I have the skills, the qualities, and qualifications needed to excel in the role. I am a fast learner; I possess excellent problem solving capabilities, and I can manage significant work load

→ Talk about studies.

→ plan to build a long-term career

And I always try to collaborate with my fellow.
Team mates

Self-Intro.

My name is Mounya Deepak, and thank you for giving me the opportunity to be interviewed with your company today.

I am currently undergoing my Bachelor's Degree at Mahatma Gandhi Institute of Technology, Gandipet.

Being a responsible student, I learned the importance of being disciplined, ensuring my work ~~was~~ to a high standard, and supporting my fellow ~~students~~ friends to help them achieve their goals.

I would ~~like~~ describe myself as a positive, enthusiastic, determined and resilient person who always takes ownership of difficult challenges whenever they occur.

I am effectively a blank Canvas with no preconceived ideas about the workplace which means you can train me up to be a high-performing member of your team.

If I am successful, I plan to build a long term Career here and become a reliable and trustworthy employee ~~who~~ who always adds value ~~to the team~~ to your company.

⑥ Intords

① FLEXIBLE

② GOALS

③ TEAMWORKER (always collaborate)

④ DISCIPLINED

⑤ TRUSTWORTHY

⑥ FRUGAL (if you are frugal you don't waste company supplies or resources)

~~My friend~~
I Actually have participated in couple of workshops which
were conducted in my college.
and ~~the~~ⁱⁿ To additional with that i have also ~~participated~~ participated
in a workshop which was based on building

For participating in 1 Day Bootcamp with 24 hrs Hackathon
on 'Building chatBot using IBM Watson' organised
during 18th-15th Feb of 2014
